Our Vision

to grow the historic LOL
as a **vibrant**, **safe** and **welcoming**
community focused hub

Our Mission

to enable people
within the community
to enrich their lives

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset
- To deliver internal improvements to the building

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset
- To deliver internal improvements to the building

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset
- To deliver internal improvements to the building.
- To develop an active community of co-producers, volunteers and participants around Levenshulme Old Library

Our Strategic Objectives

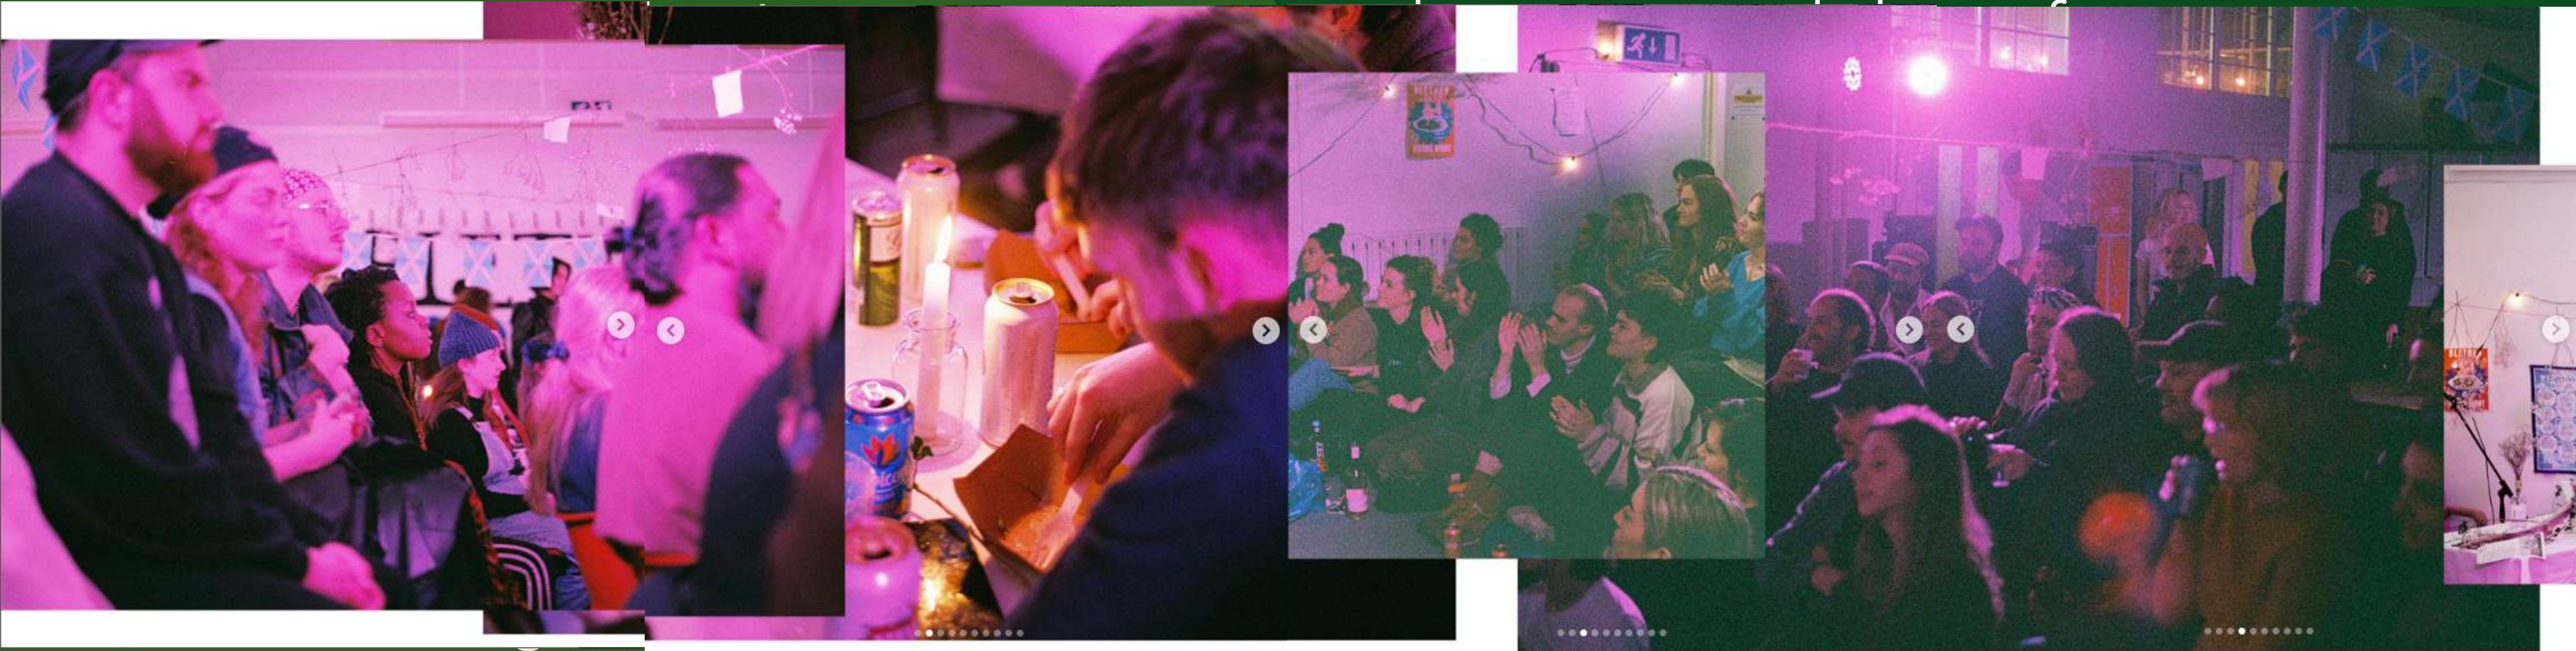

- To grow our income to ensure Levenshulme Old Library as
- To deliver internal improvements
- To develop an active community of volunteers and participants at the Library

Our Strategic Objectives

- To grow our income to ensure the sustainability of Levenshulme Old Library as a community asset
- To deliver internal improvements to the building.
- To develop an active community of co-producers, volunteers and participants around Levenshulme Old Library
- To widen and diversify our audiences, creating positive impacts on community wellbeing

Levenshulme Community Arts Centre

The image features a stack of several yellow sticky notes. The top-most note is centered and contains the text 'cities changing diabetes manchester' in a blue, sans-serif font. The background is a light green color with large, abstract, overlapping shapes in a slightly darker shade of green. The text is arranged in four lines: 'cities', 'changing', 'diabetes', and 'manchester'.
